Medjugorje – The Permanent Sign is the Third Secret

by Medjugorje Today.com

The earth has never seen its like. It will appear suddenly, as if out of nowhere, or right out of Heaven itself. It will arrive in such a way that people will not have words to say what it is. It will appear on the ground, it can be seen and photographed, but it cannot be touched. Today, already, a webcam is constantly filming the spot where it is going to be.

According to the visionaries, some day a permanent sign will appear on the site of the first apparition. Beautiful and indestructible, the sign will lead to many conversions. According to Marija, there will also be healing (1) but first and foremost it will make many more people believe.

"Naturally it will be clear to everyone that it is not something constructed and erected. Nobody will be able to say that it was brought and placed in that particular spot by, let us say, someone from Medjugorje", Mirjana told Catholic author/journalist Michael H. Brown in 2001. (2)

A massive grace and chance to believe:

The spot of the first apparition has always been a focal point for prayer. Crosses and crucifix have been erected throughout the plateau, the exact spot being marked by a tall white statue of the Virgin Mary.

The Permanent Sign is the third secret known by the Medjugorje seers. It is the only secret of which it is known that all the visionaries know about it. At least four of them also know when the sign will appear. (2)

Because the first two secrets have been unfolded and belong to the past by the time of the Permanent Sign, the Sign will be perceived and experienced by

people in the light of the two first secrets – or at least in the light of the first of which Mirjana said that "it will shake people up" and "make people see themselves in a new light" (3)

The Permanent Sign is likely to change more hearts because it was preceded by the first and second secrets. And according to the visionaries, changing hearts is what the sign is all about. Most of all, they say, the sign will be for those who do not believe.

The third secret is about a sign that she will leave "here, on the Mountain of the Apparitions. This sign will remain forever. It is given above all for those people who are still far away from God. The Madonna wishes to give these people who will see the sign a chance to believe in God", Vicka told Radio Maria in January 2008. (4)

An early interview with Mirjana backs up Vicka's statement, "They will understand the sign as a place where they can convert. They will go to the mountain and pray and

they will be forgiven," Mirjana prophesized in 1983. (5)

"When the Permanent Sign comes, people will come here from all over the world in even larger numbers. Many more will believe", Jackov has said. (2)

Continuation of Mirjana's words after monthly message:

I have never said anything before, but are you aware, brothers and sisters, that the Mother of God was with us? Each of us should ask himself: "Are you worthy of this?" I am saying this because it is difficult for me to see Her (Our Lady) in pain, because each of us is seeking a miracle, but does not want to work a miracle in himself.

SEPTEMBER 25, 2011, GOSPA MESSAGE TO MARIJA

"Dear children! I call you, for this time to be for all of you, a time of witnessing. You, who live in the love of God and have experienced His gifts, witness them with your words and life that they may be for the joy and encouragement to others in faith. I am with you and incessantly intercede before God for all of you that your faith may always be alive and joyful, and in the love of God. Thank you for having responded to my call."

OCTOBER 2, 2011 Monthly Message to non-believers to Marijana: "Dear children; Also today my motherly heart calls you to prayer, to your personal relationship with God the Father, to the joy of prayer in Him. God the Father is not far away from you and He is not unknown to you. He revealed Himself to you through my Son and gave you Life that is my Son. Therefore, my children, do not give in to temptations that want to separate you from God the Father. Pray! Do not attempt to have families and societies without Him. Pray! Pray that your hearts may be flooded with the goodness which comes only from my Son, Who is sincere goodness. Only hearts filled with goodness can comprehend and accept God the Father. I will continue to lead you. In a special way I implore you not to judge your shepherds. My children, are you forgetting that God the Father called them? Pray!

Prayer for Priests by St. Teresa of Avila

O my Most Sweet Jesus, O Jesus, Eternal High Priest, keep Thy priests in the shelter of Thy Sacred Heart, where no one can hurt them. Keep their anointed hands unsullied, which daily handle Thy Sacred Body. Keep pure the lips which are red-dened with Thy Precious Blood. Keep pure and unworldly their hearts which are sealed with the sublime token of Thy glorious priesthood. Cause them to grow in love and loyalty to Thee and protect them from the contamination of the world. With their power of transforming bread and wine, give them the power of transforming hearts. Bless their work with rich fruit and grant them one day the crown of eternal life. Amen.
